Installation

Supported Browsers

| ✓ Chrome | ✓ Edge | ✓ Brave | ✓ Firefox | X Safari |

Installation Steps

1 **Download the extension**

Download the extension ZIP file and save it to your computer.

2 **Extract the contents**

Right-click on the ZIP file > "Extract All" or "Unzip"

Choose an easy-to-find location (e.g., Desktop or Documents)

3 **Open the extensions page**

In Chrome, type in the address bar: `chrome://extensions/`

Or via menu: ⋮ > More tools > Extensions

4 **Enable Developer mode**

In the top right corner of the page, toggle on **"Developer mode"**

5 **Load the extension**

Click the **"Load unpacked"** button that appears

6 **Select the folder**

Navigate to the extracted folder and select it

Select the folder that contains the "manifest.json" file

Tip: Pin the extension to the Chrome toolbar by clicking the puzzle icon then the pin next to "MSF Counter".

Important: Do not delete the extension folder after installation. Chrome needs this folder to run the extension.

User Guide
